MEMORANDUM FOR CHAIRMAN, USIB

SUBJECT : USIB Action on Proposed Public Release of Information
Regarding Yield of Soviet Nuclear Tests in 1961 and 1962

REFERENCE : USIB-D-18.5/4, 10 April 1963 (copy attached)

1. Paragraph 3 below contains a request for action by Chairman, USIB.
2. As of 15 April 1963, all other USIB members had concurred in a JAEIC recommendation (in Tab A to the reference) that USIB approve, as proposed by AEC (see Tab B), the public release of intelligence data regarding the total yield and total fission yield of Soviet nuclear devices tested in 1961 and 1962.

25X1
25X1

3. Approval of this release proposal by Chairman, USIB, is required and requested hereby to complete Intelligence Board action on this question.

Attachment

Executive Secretary

Approve, from an intelligence standpoint,
the public release of the approximate total
yield and total fission yield of Soviet nuclear
tests conducted in 1961 and 1962, as set
forth in Tab C of USIB-D-18.5/4:

JS
John A. McCone
Chairman, USIB

USIB
Date

17 April 1963
